

Republic Act No. 8794

MOTOR VEHICLE USER'S CHARGE LAW

To ensure the adequate maintenance of national and provincial roads for the safety of the motoring public, this Act provides for the imposition of a motor vehicle user's charge (MVUC).

Section 7C of the Implementing Rules and Regulations provides penalties for overloaded trucks and trailers and prohibits vehicles that exceed the allowable gross vehicle weight and/or axle loads from proceeding on the roadway. The axle load should not exceed 13,500 kgs or 13.5 metric tons.
