## ***PRESS RELEASE***

### **TRB authorizes toll adjustment for Subic Clark Tarlac Expressway (SCTEX)**

The Toll Regulatory Board (TRB) has approved the toll rate adjustment for the Subic Clark Tarlac Expressway (SCTEX) and authorized the implementation of an additional ₱0.78 per kilometer. The new toll rates will take effect starting June 1, 2022.

The toll increase, which followed regulatory procedures and underwent thorough review, confirms the periodic rate adjustments due in 2017.

To help the public utility buses (PUBs) adjust to the increased rates, they will be provided with graduated toll rebates for the next three months.

The state-owned BCDA is the builder and owner of the four-lane 93.7 kilometer expressway and construction was partly funded by the Japan Bank for International Cooperation (JBIC). The expressway opened to the public in 2008 and the management, operations and maintenance was privatized and awarded to NLEX Corporation in 2015.

Under the new toll fee matrix, motorists with Class 1 vehicles traveling between Mabalacat City to Tarlac will be charged an additional ₱31.00. Motorists with Class 2 vehicles traveling on the same route will pay an additional ₱61.00 and those with Class 3 vehicles will pay an additional ₱92.00. Meanwhile, an additional ₱49.00, ₱98.00, and ₱147.00 will be charged to motorists using Class 1, 2, and 3 vehicles, respectively, traveling between Mabalacat City and Tipo, Hermosa, Bataan (near Subic Freeport).
